Accommodation:

Hotel AC****: (5 min. on foot from the venue)

Corso Europa 1075 – 16148 Genova Tel.: +39 010 3071180

How to reach the Venue

From the International Airport C. Colombo, shuttle bus n. 100 (runs every hour) takes you to Genova Brignole railway station.

Participants arriving to Genova by train should bear in mind that there are two major stations in the city: Genova-Brignole and Genova-Principe. Not all the trains – particularly from northern Italy (e.g., Milano) – pass through Genova-Brignole: therefore, make sure that your train does indeed stop at Genova-Brignole.

From Genova Brignole railway station, take bus n. 17 and get off in Corso Europa, in front of the AC Hotel/Coop supermarket.

Motorway exit Genova-Nervi, take Corso Europa westwards, take the overpass and drive eastwards, pass Hotel AC and ESSO gas station on the right, after 50 mt. turn right into Via Romana della Castagna, go straight 80 mt., enter the gate on the right leaving the church on the left and follow signs for parking.

1st Announcement

The Airway Team of G. Gaslini Institute invites you to the

“Interactive course on management of laryngotracheal and chest wall anomalies in children”

with the participation of some of the most famous world experts who will perform live surgeries. From the charming and quiet atmosphere of the Badia Benedettina you will be able to follow the procedures performed at G. Gaslini Institute and to interact with the surgeons
